

Where can I live?

Our employees can be located in a number of different areas from Jindabyne, Perisher Valley, Smiggins Holes, Bullocks Flat, Blue Cow and Guthega. It is important to note that there is no public transport in Jindabyne to get around. The majority of our staff live in Jindabyne and catch the Skitube to work. The Skitube is located 18km out of Jindabyne below snow level. For those not bringing a form of transport, you will need to organise a carpool with your house or work mates.

Staff Accommodation

- Perisher has limited staff accommodation and is therefore unable to guarantee staff housing to all staff, however we do a pretty good job at making sure we find someone who can. All accommodation is allocated on our employees' requests, the position they work in and on a first- in basis.
- Resort Accommodation at Blue Cow, Guthega and Perisher are for select staff who need to be on-snow in that specific location. The type of positions that would stay on hill are Transport Drivers, Snowmakers, Groomers and Hospitality staff working for the Perisher Valley Hotel. Accommodation at Smiggin Holes (on snow) is available to Mountain and Snowsports staff.
- All above listed accommodation locations are based on snow at the resort to provide easy access to your work base.

Facilities

- All accommodation is on a share basis. Bedrooms have single beds and are twin share. Shared cooking facilities are supplied with electrical goods, basic crockery, cooking and eating utensils.
- All accommodation is fully furnished.

What do I need to bring?

- Towels
- Pillows
- Quilt/ Blankets
- Food Supply (supermarket in Jindabyne only)
